

Benefits of North Alabama *FUTSAL*

Benefits of playing futsal in the NAFL:

- All players are registered - no ringers
- Fully defined teams with team rosters
- Written rules - not just in the minds of proprietors
- Standard rules (FIFA, USFF, USYF)
- Safety rules (shin guards, no slide tackles)
- Playing surfaces lined per futsal standards
- Trained/certified referees

(Are there even referees at other venues?
or enough to adequately call games?)

Because of the above, more benefits:

- Quality
- Consistency (no changing rules each week)
- Dependability
- and Medical & Liability insurance!

Other Perks of NAFL:

- Regularly play Winter and Summer Futsal Seasons
- Team standings kept
- Division winner t-shirts
- Golden boot & golden glove awards in summer seasons
- Perpetual trophy of adult 'Champions Division' Winners
- Tournaments with trophies & medals
- Ability to play in USFF regional tournaments
- Air Conditioned Gyms (warehouse-based activities don't usually have AC)

NAFL has existed for over 9 years. It just completed its 10th winter season and is conducting its 10th summer season this June and July. This shows NAFL's trusted longevity.

Is playing on green turf with a bouncy soccer ball so important that you give up many other amenities? It shouldn't be. Play futsal instead.
