## About North Alabama FUTSAL

North Alabama FUTSAL was established in 2013 as a youth and adult (amateur) indoor soccer league that services cities in North Alabama by organizing seasons, tournaments, camps, clinics and more. The North Alabama FUTSAL League exists to bring organized futsal games to North Alabama. It is the first permanent organization created with the initial sole purpose of facilitating standard futsal play in Alabama. North Alabama FUTSAL is a member of the United States Futsal Federation (USFF), which is an "Other Affiliated Member" of the United States Soccer Federation (USSF). North Alabama FUTSAL and the games it hosts are governed by the USFF and conducts itself within the guidelines of the USFF and its affiliations. In North Alabama FUTSAL's 11th year it sanctioned with USSSA-Soccer for occasions when futsal teams expand to playing in soccer tournaments in addition to futsal tournaments.

More at <https://www.nafutsal.com/About-Us>

## North Alabama FUTSAL History / Status

North Alabama FUTSAL conducted its first season in the winter of 2013/14. It has now conducted 12 winter seasons, 12 summer seasons, 1 adult and 3 youth tournaments, 13 youth academies, 15 referee clinics, 5 youth player and 3 adult player clinics. The North Alabama FUTSAL League started with intentions to become a not-for-profit IRC 501(c)3 organization but has been operating to date as a *not-making-a-profit* organization because of the huge application fee to the IRS (\$850.00). Thus far the North Alabama Futsal League has not profited in any year of existence and has recorded losses ranging from approx. \$950 to \$1950 annually. The North Alabama Futsal League exists for the good of the game rather than any gain from services sold. Any potential monetary gain will be re-funneled back into the league to further promote the popularity and participation of playing futsal in Alabama.

## Benefits of Futsal

1. Gives players many more touches on the ball than outdoor soccer games typically provide
2. Leads to better ball control skills, i.e. better dribbling, better passing, better shooting
3. Necessitates quick thinking in tight places
4. Only a few different rules to learn, e.g. kick-ins instead of throw-ins
5. Allows playing in the coldest months and in the hottest months of the year
6. Futsal is safer than wall-ball
